Editor,

The American Journal of Numismatics,
New York City.

Dear Sir:

Dr. George F. Kunz wishes to use in a work on the Magic of Jewels, etc., which we are bringing out for him, the plate of the Zodiac Mohurs at page 125 of your Journal for July, 1910, and we trust that you may favor us in this connection.

The best plan, we think, would be to supply us with the best possible electrottype plate which can be made from your original and we shall be glad if you will kindly advise us what will be the cost of this. *Our credit would of course be given*

Please address the writer and oblige,

Yours very truly,

J. B. Lippincott Company.
